

BOY SCOUT CHEMISTRY MERIT BADGE

Ages 10 to 18 and a registered Boy Scout

Complete all requirements for the Chemistry Merit Badge in a two-session workshop. The first session includes laboratory experience. Choose one of three locations, the College of DuPage in Glen Ellyn, or Oakton Community College in Des Plaines or College of Lake County in Grayslake. **(All locations are at capacity and 2009 registration is closed.)** The second session will be held on October 24 at DePaul University in Chicago and is necessary for completion of this merit badge. It will include an opportunity to talk to industrial chemists as well as completing the remaining requirements.

Instructions will be sent prior to the workshop for each boy registered. There are a limited number of scouts allowed each location so please register early. Deadline for registration is October 1 (no exceptions this year).

1st Session: ALL LOCATIONS ARE SUBSCRIBED TO CAPACITY AND REGISTRATION IS CLOSED FOR THE YEAR!

October 10, 2009 at Oakton Community College 9 a.m. to noon
