Officer Nominations

It is time to start thinking about the election of officers for 2004. Our election is in November, but the candidate slate must be announced by August 20. The Nominating Committee is responsible for naming two candidates for each office. A member can also be nominated for an office by a petition signed by 5% or the Section membership (which would be 70 members.)

The offices up for election this year are as follows:

- Chair-Elect--The Chair-Elect succeeds to the position of Chair in the year following service as Chair-Elect. The main duties are to assist the Chair with programming and other activities as needed.
- Treasurer-Elect--The Treasurer-Elect succeeds to the position of Treasurer in the year following service as Treasurer-Elect. The main duty is to assist the Treasurer in maintaining the financial affairs of the Section as needed.
- Secretary--The Secretary takes the minutes of the Executive Committee meetings and writes occasional correspondence, serving a one-year term.
- Councilor--A Councilor represents the Section at ACS national meetings and serves a three-year term. The Section has three Councilors, elected on a staggered basis in order to maintain continuity.

If you would like to run for any of the offices, suggest nominees, need more information about any of the offices, or serve on the Nominating Committee, please contact Nominating committee Chair Bill Catus, wcatus@cas.org, 614-447-3600, ext. 2266.

Chemical Record Deadline

The deadline for contributions for the September Chemical Record is Friday, August 1, 2003, in order to accommodate the timely announcement of the slate of candidates as specified in the Section Bylaws. Please submit them via postal or electronic mail to George Greene, PO Box 360941, Columbus, Ohio 43236-0941, george.greene@abbott.com.
