August 13, 2008

Dr. Ann M. Sullivan, Secretary
Division of Chemical Technicians
1777 Spain Dr.
Petersburg VA 23805-8354

Dear Dr. Sullivan:

In accordance with Society Bylaw VIII, Section 1, f, the Committee on Constitution and Bylaws (C&B) has completed its review of the proposed amendments to the bylaws of the Division of Chemical Technicians of the American Chemical Society. Enclosed is the Committee's final report, dated August 13, 2008.

The proposed amendments that were approved by C&B have been incorporated in the Division's bylaws. A bound copy of the newly certified bylaws, effective August 6, 2008, is enclosed for the Division's files along with an extra copy.

If the previously certified copy of the Division's bylaws, effective August 30, 2006, is available, please return it to me so that I can invalidate it. The invalidated copy will be returned to you to be placed in the Division's archive files.

Special thanks to Richard Cobb for his time and help on amendments to the Division's bylaws. When the Committee on Constitution and Bylaws can be of assistance on amendments in the future, please let me know.

Sincerely,

Barbara F. Polansky, PMP
Staff Liaison
