

Chemistry Career Discussion Panel

The Women Chemists Committee of the Virginia Section is sponsoring a Chemistry Career Discussion Panel for students interested in careers in the chemical sciences. Speakers representing chemistry careers in academia, industry, government, and forensics will share their career stories and answer questions. All interested students are invited, and light refreshments will be served.

The host of the meeting is Kristine Smetana, John Tyler, ksmetana@jtcc.edu
For information and to RSVP, contact Ann Sullivan, J. Sargeant Reynolds, asullivan@reynolds.edu; (804) 523-5777
