

Chemical Society of Washington Section
American Chemical Society

Presents an all-day, interactive, informative workshop on

Chemical Toxicology in Action

SATURDAY, April 12, 2008, 8:30 AM to 4:00 PM

The George Washington University
Harding Auditorium, Room 213, the 1957 E Building,
1957 E St. NW, Washington, DC
Within walking distance of Orange and Blue Metro Lines

Teaching, learning and career information for:

College/university students and high school students
considering a career in toxicology,

Lecturers, instructors in chemistry and chemistry
teachers in high schools,

Media specialists and others interested in toxicology.

Six presentations/discussions, based on real cases,
will illustrate what chemists and biochemists do as
toxicologists in the environmental sciences; food and
drugs; forensic sciences; clinical toxicology; and studies
that combine genetics, carcinogenicity and toxicology.

LEARN FROM EXPERT PRACTITIONERS HOW TOXICOLOGY
BENEFITS HEALTH IN THE UNITED STATES AND HOW TO
PREPARE FOR A CAREER IN CHEMICAL TOXICOLOGY.
