<b>Analytical Chemistry</b>		Contributed DH-730	Contributed DH-730		Environ. Chem. Of Great Lakes DH-730				
		Posters Centennial Forum			Posters Centennial Forum				
<b>Chemical Education</b>		Contributed DH-733							
		Posters Centennial Forum							
<b>Computational Chemistry</b>						Pople Sym. Cont. Talks DH-641		John Pople Symposium FH-133	
					Posters Centennial Forum				
<b>Green Chemistry</b>		Symposium FH-133							
<b>History of Chemistry</b>			History Symp. DH-734						
<b>Inorganic Chemistry</b>			Bioinorganic & Biochem. Symp. DH-641		Contributed DH-734				
		Posters Centennial Forum							
<b>Materials Science</b>					Nanoscience/Technology FH-133			Nanoscience/Technol. DH-441	
					Posters Centennial Forum				
<b>Medicinal Chemistry / Biochemistry</b>			Bioinorganic & Biochem. Symp. DH-641					Drug Delivery / Proteomics DH-430	
					Posters Centennial Forum				
<b>Organic Chemistry</b>			Small Molecule Structure Determ. DH-735		Contributed DH-735				
					Posters Centennial Forum				

<b>Physical Chemistry</b>			Contributed DH-736						
					Posters Centennial Forum				
<b>Professional Development</b>			Adjunct Faculty Issues DH-733			Mentoring: A Tool for Prof. Dev. DH-733			
<b>Undergraduate Research</b>		Contributed DH-735			New Models of Ug. Res. DH-733				
		Posters Centennial Forum							
<b>Poster Sessions Rambler Room Centen. Forum</b>		Analytical, Biochem., Bioinorganic, Chem. Ed., Inorganic, Undergrad. Presentations are 6-9pm			Drug Deliv., Environ., Nanosci., Organic, Physical, Computational, Proteomics				
<b>Special Events</b>	Gibbs Dinner & Lecture - Argonne	Chemical Exposition 11-2:30 & 4:30-9pm Rambler Rm Centennial Forum Reception is 6-9pm			Chemical Exposition 11-2:30 & 4:30-9pm Rambler Rm Centennial Forum Reception is 6-9pm
