

Northern New York Local Section Chemistry Research Symposium

OVERVIEW

Time: Saturday, April 4th from approximately 9 am to 2 pm

Purpose: Provide local undergraduate and graduate students performing chemistry-related research an opportunity to present their own research to peers.

Overview: Students from local and regional colleges and universities will present their work in one of two formats: either a poster or a short oral presentation. Two oral presentation sessions (graduate students and undergraduate students) will be scheduled in the morning followed by an afternoon poster session.

Prize money (best talks, best posters), coffee and bagels, buffet lunch

DETAILS

Deadline for abstract submission for oral presentations: March 17, 2009

Students will indicate if they would like to be considered to give an oral presentation, poster presentation, or both; presenters will be notified no later than March 20th.

Schedule

- 9:00 am Registration and poster setup (coffee, juice, and bagels)
- 9:30 am Welcome
- 9:35 am First graduate student oral presentation
- 10:00 am Second graduate student oral presentation
