

Fall 2009 Chemistry Seminars at Clemson University.

Unless otherwise noted, the seminars are held in the chemistry building on Thursdays at 4 pm in Hunter 100.

September

24 ::[Dr. X. Nancy Xu](#), :Department of Chemistry & Biochemistry, Old Dominion University, Norfolk, VA: *Topic TBA*
Sponsored by [Jeff Anker](#)

October

1 ::[Dr. Marcus D. Lay](#), :Department of Chemistry, University of Georgia:
"Purification of SWNT Suspensions and Formation of 2-D Networks of Single-Walled Carbon Nanotubes"
Sponsored by [Ya-Ping Sun](#)

8 : [Dr. Winfried Möller](#), :Helmholtz Zentrum München – German Research Center for Environmental Health Clinical Cooperation Group Inflammatory Lung Diseases, Gauting:
"Relaxation and twisting of ingested magnetic micro- and nanoparticles - an assay for cell function and cytoskeleton mechanics "
Sponsored by [Jeff Anker](#)

November

5 ::[Dr. Michael Stieff](#), :University of Maryland: *Topic TBA*
Sponsored by [Gautam Bhattacharyya](#)
