

**The American Chemical Society's
Women Chemists Committee**

Is pleased to announce the selection of:

Stefanie Sacknoff

University of San Diego

**as the 2009 Recipient of the
Overcoming Challenges Award**

For her perseverance in overcoming personal hardships to pursue a degree in science. Stefanie receives a plaque, monetary award, and travel expenses to attend the 238th ACS National Meeting in Washington, DC.

She will be recognized during the WCC luncheon on Tuesday, August 18, 2009.
